

PATRICK JUAWO

FRONT-END DEVELOPER

+263772130065, +27813603447 | pjuawo@gmail.com | <https://patrickjuawo-portfolio.netlify.app>

Objective

To obtain a challenging web developer position in a dynamic and innovative organization where I can utilize my technical and creative skills to develop and maintain responsive, user-friendly, and visually appealing websites.

Skills & abilities

I am a self-taught Front End Web Developer with a Diploma in IT and a solid 5-year background as an IT Technician. My proficiency extends to HTML5, CSS3, JavaScript, and React. I have a genuine passion for creating user-friendly and responsive web designs. My track record demonstrates a rapid learning ability and strong collaborative skills. I excel in problem-solving, meticulous attention to detail, and consistently deliver high-quality work, even under tight deadlines.

Experience

MHOFU PRIMARY SCHOOL | HARARE, ZIMBABWE

IT TECHNICIAN | January 2013 – November 2019

Provided technical computer support, such as configuration, installation and trouble-shooting of computer hardware and software to 45 laptops and 60 networked desktops.

Troubleshoot network connectivity issues related to computer systems to more than 100 computers.

Removed malware and viruses from laptops and desktop systems using antivirus software.

Managed backups for all systems and institution data.

Developed training materials and conducted staff trainings

Created, managed, and set-up e-mail addresses for staff members, resolving passwords issues.

Accurately counted, received, asset tagged IT inventory and updated the assets database

Maintained the school's website to ensure a user-friendly and up-to-date online presence.

Created and updated website content, including text, images, videos, and interactive elements.

Education

GWERU POLYTECHNIC COLLEGE - ZIMBABWE

DIPLOMA IN INFORMATION TECHNOLOGY | December 2010
